TO: Village of White City Residents

SUBJECT: Trash Dumpster on Village Hall Property

This memorandum is a reminder to all Village of White City Residents that the Trash Dumpster located on the Village Hall Property is not to be used for public dumping of trash. During the past several weeks a great deal of trash has been left in the trash dumpster. This includes furniture; large boxes; electronics; tires; etc. Dumping of trash at the Village Hall property is an offense and individuals could be prosecuted if this continues. We have installed a lock on the trash dumpster to hopefully avoid this in the future.

If you need an extra trash pick-up for items outside of normal trash, you may call DC Waste directly at **217-532-3706** and set up a pick-up time. This may be an extra fee for picking up items outside of your weekly trash service, and you will be responsible for the extra cost directly with DC Waste.

Thank you for your cooperation.
