To All Village of White City Residents

This memorandum is going out to all Residents of the Village of White City. Recently the Village received an anonymous note in the mail drop box regarding individuals riding off road ATV vehicles within the park ground area. As a reminder if you witness any ordinance violations, or illegal activities, or anything happening in violation of public safety to our residents within the Village of White City please call 911 or contact the Macoupin County Sheriff.

You can also file a formal complaint with the Village Clerk of the Village of White City and the Village can then send out an Ordinance Violation if necessary. The formal complaint can be anonymous; however, we will need a detailed explanation of the violation with a specific address. We take public safety for our residents very seriously and want to ensure that everyone is protected.

For your information, attached is a general listing of Ordinance Violations for the Village of White City. This is just a general listing, if you need clarification of a specific Ordinance Violation, you will need to contact the Village Clerk.

The Village Board Meetings are the 2nd Wednesday of each month at 7:00 pm at the Village Hall. Residents are encouraged to attend meetings if they have any questions or concerns to be discussed with the Board of Trustees.

As a reminder, please go to the Village Website to review updates posted. The address of our website is located at:
